INSTRUCTIONS TO THE CANDIDATES TO FILL ONLINE APPLICATION FORM

- Click on “**PG Admission 2026-27**” link given on the website, www.tnifu.ac.in for the Prospectus and online applications.
- Candidates should read the Prospectus carefully before filling up and submitting the online applications.
- Candidates possessing the qualifications as prescribed in the prospectus alone will be considered.
- Candidates must use the online platform to submit their applications on or before **24.10.2026**. In the event of an extension, candidates will be duly informed of the revised deadline. It is imperative to refrain from sending hard copies of the downloaded applications to the University. Instead, candidates are advised to bring their applications with two sets of attested copies of the certificates originally uploaded only during the counselling.
- No addition, deletion or alteration of any particulars relating to the application is permitted after the submission of the application.

- **The application fee must be remitted through the online payment mode.**

Application fee for Tamil Nadu candidates from OC/BC/BCM/MBC/DNC	Rs.1500/-
Application fee for Tamil Nadu candidates from SC/SCA/ST	Rs.750/-
Application fee for other state candidates	Rs.1500/-

- **Candidates are required to complete the online payment and retain the payment transaction / receipt details for future reference. The payment transaction number and other relevant details should be mentioned in the application form. The online payment must be completed before 24.10.2026.**
- The following certificates/documents must be uploaded along with the online application
 1. Nativity Certificate in the prescribed format (if applicable).
 2. S.S.L.C. / H.S.C. mark sheet or First page of Service Register in proof of date of birth.
 3. Transfer Certificate / Migration Certificate
 4. Community Certificate
 5. Provisional / Degree Certificate of Bachelor's Degree
 6. Statement of Marks / Report cards / Transcript card
 7. Conduct Certificate from the Head of the Institution last studied.
 8. Service Certificate showing the details of service / experience.
 9. Proof for Research articles published (first page of the article) and academic medals / awards
 10. Any other relevant certificates

Note: Failure to submit any of the above documents from Sl.No. 1 to 7 will make the candidate ineligible for admission.

- Those who are claiming communal reservation should furnish the certificate obtained from the competent authority. However, the employees of Tamil Nadu Dr. J. Jayalalithaa Fisheries University and Government of Tamil Nadu should enclose an attested copy of the **first page of their Service Register** as proof of community claim.
- Employees of the Tamil Nadu Dr. J. Jayalalithaa Fisheries University/State or Central Government or other organizations **must produce a certificate from the concerned authorities permitting him/her to do M.F.Sc. degree course in Tamil Nadu Dr.J. Jayalalithaa Fisheries University on part / full-time basis at the time of counselling.** The candidate will not be eligible, if he/she fails to produce the certificates.
- Selected candidates should join the course on or before the specified date, failing which admission will automatically stand cancelled and resultant vacancies will be filled with the other eligible wait-listed candidates.
- All enquiries about the admission process only be made through email to pgadmission@tnjfu.ac.in
- No correspondence will be entertained in any other form.
- For all correspondence, the name of the candidate and application number need to be mentioned.
- All columns should be filled, checked and supported by relevant certificates/ documents.

I. PROFILE OF THE UNIVERSITY

Tamil Nadu Dr. J. Jayalalithaa Fisheries University (TNJFU) is a State funded University which offers professional fisheries education, research and extension programmes to enhance fish production and utilization by following the State Agricultural University (SAU) pattern and syllabi. The University is Accredited by the Indian Council of Agricultural Research from 01.04.2021 – 31.03.2026 with a Grade A.

VISION

“Harnessing the Science of Fisheries for Food, Nutrition and Livelihood”

MISSION

Excelling in teaching, research and extension initiatives in fisheries sciences to produce professionally acclaimed and socially responsible graduates achieving nutritional security and sustainable development of the fisheries sector.

TNJFU is established with the following objectives

- To impart quality education in different branches of Fisheries Sciences as the University may determine
- To conduct organised research in the frontier area to develop cutting-edge technologies in Fisheries Sciences.
- To provide extension services like training, consultancy, project formulation to fish farmers, fisherfolk, unemployed youth and entrepreneurs in Fisheries Sciences.
- To facilitate comprehensive development of Fisheries Sciences for increased contribution to the state's economy and set benchmark standards through appropriate interventions in fisheries teaching, research and extension.

EDUCATION

Tamil Nadu Dr. J. Jayalalithaa Fisheries University offers the following professional and paraprofessional degree programmes.

- **UG Programmes**

- Professional Courses**

- B.F.Sc. (Bachelor of Fisheries Science)
 - B.Tech. (Fisheries Engineering)
 - B.Tech. (Biotechnology)*
 - B.Tech. (Food Technology) *
 - B.B.A. (Fisheries Enterprises Management) *

- * Self-Supporting Courses.**

- Paraprofessional Courses**

- B.Voc. (Industrial Fish Processing Technology)@
 - B.Voc. (Industrial Aquaculture)@
 - B.Voc. (Industrial Fishing Technology)@

- @UGC Sponsored/approved Courses**

- PG Programmes**

- Master of Fisheries Science (M.F.Sc.) in 14 disciplines
 - Master of Technology (M.Tech.) in three disciplines
 - M.B.A. (Fisheries Enterprises Management)
 - PG diploma in 2 disciplines

- Doctoral Programmes**

- Ph.D. in Fisheries Science in 13 disciplines
 - Ph.D. in Life Sciences

The University is providing financial support to the students in the form of scholarships and fellowships for undergraduate and postgraduate degree programmes. Students' amenities such as gymnasiums, indoor and outdoor game facilities, hostels and many other student-friendly facilities such as computer, internet and e-learning facilities and student placement cells are available in University colleges to promote students' interest in acquiring knowledge on various aspects of fisheries sciences as well as in finding a right placement for them.

CONSTITUENT COLLEGES/INSTITUTES OFFERING M.F.Sc. DEGREE PROGRAMMES

FISHERIES COLLEGE AND RESEARCH INSTITUTE, THOOTHUKUDI

The Fisheries College was started at Thoothukudi by Tamil Nadu Agricultural University (TNAU) in October, 1977 as the second fisheries college in India. It was brought under Tamil Nadu Veterinary and Animal Sciences University (TANUVAS) on 19th September, 1989. The college was renamed as Fisheries College and Research Institute (FC&RI) in 1990 to focus more on research and extension activities. The FC&RI has three campuses: the Main Campus, the staff quarters complex and Mariculture Research Farm Facility located at Tharuvaikulam, a coastal village 17 km away from the main campus, for undertaking Mariculture / Coastal Aquaculture activities. The FC&RI is adequately staffed with a sanctioned strength of 42 teaching positions and 105 non-teaching positions. The FC&RI, Thoothukudi has been accredited by the Indian Council of Agricultural Research (ICAR), Govt. of India, New Delhi for a period of 5 years from **01.04.2021 – 31.03.2026**. This Institute offer professional degree programmes such as B.F.Sc., M.F.Sc. and Ph.D. The FC&RI has eight departments and a well-established Digitized Library and offers M.F.Sc. and Ph.D., degree programmes in nine disciplines. The campus provides separate hostel facilities for boys and girls with fully secured Wi-Fi connectivity.

OBJECTIVES OF THE INSTITUTE

- To develop technical and professional manpower for the fisheries sector
- To impart educational programmes such as B.F.Sc., M.F.Sc., Ph.D., PG Diploma and Certificate courses
- To undertake basic and applied research for the benefit of people in various sectors / areas of fisheries
- To disseminate the research innovations through various extension programmes

Dr. M.G.R. Fisheries College and Research Institute, Ponneri was started as the Institute of Fisheries Technology, Ponneri on 20.02.2013 by the Government of Tamil Nadu. Subsequently, the institute was upgraded as a college, which is currently functioning with seven departments. This college is offering B.F.Sc. degree programme from the academic year 2014-15 and M.F.Sc. & Ph.D. degree programmes in six disciplines from the academic year 2016-17. This College has been accredited by the Indian Council of Agricultural Research (ICAR), Govt. of India, New Delhi for a period of 5 years from **01.04.2021 – 31.03.2026**. The college has highly qualified faculty and staff to impart quality education, research and extension activities in fisheries and aquaculture. The college is well equipped in infrastructures such as smart classrooms, laboratories, library, seminar hall, museum and separate boys' and girls' hostel. The college also has three instructional farm facilities, one in the main campus and the other two at Madhavaram (Advanced Research Farm Facility) and Pazhaverkadu (Pulicat Field Farm Facility) respectively.

OBJECTIVES OF THE INSTITUTE

- To supply professionally qualified and socially responsible manpower to cater to the needs of the fisheries of the State.
- To improve fish production and productivity of the State through research and technology development.
- To transfer the technologies and meet the need of the fishers, fish farmers, weaker sections of the society, women SHGs and rural youth to develop fisheries and aquaculture entrepreneurship.

Dr. M.G.R. FISHERIES COLLEGE AND RESEARCH INSTITUTE, THALAINAYERU

Dr. MGR Fisheries College and Research Institute was established at Oradiyampulam, Thalainayeru in 2017. This Institute offers B.F.Sc. degree programme from academic year 2017-18. The college has been accredited by the Indian Council of Agricultural Research (ICAR), Govt. of India, New Delhi for 5 years from 2021-22 to 2025-26. The college has seven departments, four smart classrooms, a well-furnished Library and 9 well-equipped laboratories for teaching and research in various fisheries disciplines. The college library and computer lab have Wi-Fi facilities for the students and staff. There are two instructional farms, the Brackish Water Instructional Farm at University Headquarters, Nagapattinam in 2 Ha. and the Freshwater Instructional Farm at Korukkai in 5.81 Ha. A separate hostel for Girls and Boys with a dining facility is located inside the campus with a total area of 32,500 sq. ft which could accommodate 250 students.

OBJECTIVES OF THE INSTITUTE

- To develop, equip and supply professionally qualified and socially responsible manpower to cater to the needs of the fisheries sector at the state and national levels.
- To undertake basic and applied research in the field of fisheries for the benefit of stakeholders
- To disseminate various fisheries technologies for the benefit of fishers, farmers, rural youth and women SHG to promote fisheries entrepreneurship to enhance the production and consumption of fish.

INSTITUTE OF FISHERIES POST GRADUATE STUDIES,VANIYANCHAVADI, OMR, CHENNAI

The need for Post Graduate students has become inevitable in India and around the globe. The Post Graduate studies in Fisheries Sciences is offered in a limited number of colleges in India. Having considered the requirement of Post Graduates in Fisheries Sciences, the Institute of Post Graduate Studies (IFPGS) was established as a constituent college of TNJFU at OMR, Vaniyanchavadi, Chennai. The IFPGS offers M.F.Sc. and Ph.D. programmes from the academic year 2017-18. This programme is based on ICAR common syllabus with elective subjects. This Institute has Brackishwater Fish Farm (BRFF) in addition to state of art lab facilities viz. Biotechnology laboratory, Biochemistry laboratory, Fish Genetics laboratory, Fish Nutrition laboratory, Fish Pharmacology and Toxicology laboratory, Cell culture laboratory, Tissue culture laboratory, Microbiology laboratory, Bioinformatics laboratory and Wet lab. The IFPGS was established with the following objectives :

OBJECTIVES OF THE INSTITUTE

- To offer postgraduate programmes in advanced and applied disciplines of Fisheries sciences.
- To undertake need based basic and applied research in Fisheries Sciences for the benefit of fish farmers and unemployment youth.
- To provide consultancy services for the benefit of fisheries industries and entrepreneurs.

II. M.F.Sc. DEGREE COURSES

A) Eligibility criteria

- Candidates possessing four-year B.F.Sc. Degree of Tamil Nadu Dr. J. Jayalalithaa Fisheries University or any other State Agricultural University and Central University recognized by ICAR shall be eligible for M.F.Sc. courses.
- Separate entrance examination will be conducted by the University to fill the seats in M.F.Sc. degree course. According to the merit, following communal reservation, seats will be filled with Tamil Nadu candidates.
- Any unfilled seats will be filled with candidates from other States.
- Candidates from other States cannot claim admission in the quota reserved for Tamil Nadu State candidates as a matter of right on the basis of merit.
- Nativity certificate should be furnished only by those candidates who have not studied undergraduate degree course (B.F.Sc.) in Tamil Nadu, on selection from Tamil Nadu state quota.
- Candidates with an OGPA of 2.75 out of 4.00 under the trimester system or 6.5 out of 10.0 or 65% aggregate under semester system alone are eligible to apply for admission to M.F.Sc. degree course. A minimum pass is sufficient for SC / ST candidates.
- Candidates who have registered for M.F.Sc. degree course and discontinued without prior permission of the University are not eligible to seek readmission.

B) Mode of selection

- Selection of candidates for admission to M.F.Sc. degree courses shall be done on the basis of marks obtained by them. The distribution of marks is furnished below:

Sl. No.	Particulars	Marks
1	Entrance examination	100
2	OGPA in B.F.Sc.	90
3	Academic Medals / Awards	5
4	Work experience	5
	TOTAL	200

- For SC/ST candidates, a minimum of 40% score in entrance examination is mandatory and for other candidates, a minimum of 50% score in entrance examination is mandatory.

- Based on the marks obtained out of 200, merit list will be drawn separately for Tamil Nadu State candidates and candidates from other States and **published in the TNJFU website www.tnjfu.ac.in**.
- The ranking shall be done on the basis of the marks secured in the Entrance Examination in the case of equivalent total marks. The candidate with a higher OGPA will be considered next if the Entrance Examination mark is equal. In the event of a further tie, consideration will be given to the date of birth of the candidates and the older candidate shall be placed before the younger candidate.
- Eligible candidates will be called for Counselling as per the merit list.

C) Entrance examination

- The standard of entrance examination for M.F.Sc. admission will be at the undergraduate level and will include 100 multiple choice type questions with four responses, covering all the courses in B.F.Sc. programme. Refer website (www.tnjfu.ac.in) for the list of courses with detailed syllabus. Each question will carry 1.0 mark and the maximum marks will be 100. The examination will be of one hour duration.
- The entrance examination hall ticket will be sent to the email ID given in the application.
- Admission to entrance examination does not confer on the candidate the right of admission to the course.
- Candidates appearing for the entrance examination will have to come to the examination centre at their own expenses and make their own arrangement for stay.
- Candidates who arrive 30 minutes after the start of entrance examination and also those who do not have a hall ticket will not be permitted to appear for the entrance examination.
- No candidate shall be allowed to leave the examination hall before 30 minutes of closure of the entrance examination. Once a candidate leaves the hall, he/she will not be permitted to enter the examination hall again.
- Overall merit list will be hosted in the University website. If the desired discipline is not available, candidates may opt for a wait list. Such candidates will not be given any firm seat in other disciplines. The waitlisted candidates will be considered if any vacancy occurs later in the discipline concerned.

D) Counselling procedure

- Eligible candidates, as per their rank, will be called for counselling. At the time of counselling, selected candidates can choose any one of the available disciplines of their choice. He / she will not be granted any firm seat in other disciplines if a candidate want to be on the waiting list. The waiting list Candidates will be admitted through the second counselling, if any vacancy arises.

III. SYSTEM OF EDUCATION

The Semester course credit system is followed. An enrolled student should complete the course and research credits prescribed from time to time and shall have to earn a minimum Overall Grade Point Average (OGPA) of 6.5 out of 10.0 in order to earn a Postgraduate (M.F.Sc.) degree.

IV. SCHOLARSHIPS

The following scholarships are available for deserving Master's degree candidates.

A. TNJFU Stipend

All students admitted to M.F.Sc. course and do not avail any scholarship are eligible to avail University Stipend of Rs. 4,000/- (Rupees four thousand only) per month.

B. Other Government Scholarship

- i. Adi-Dravida Welfare Scholarship
- ii. Backward Class Scholarship
- iii. Merit Scholarship

C. Fellowship in Research Schemes

The Students of PG programmes of Tamil Nadu Dr. J. Jayalalithaa Fisheries University can work as JRF / SRF in external funded research schemes / Industry sponsored schemes according to their field of specialization.

V. FEES AND DEPOSITS

Each candidate selected to study PG courses in TNJFU is required to pay the following tuition fees, special fees, etc., as prescribed by the University at the time of admission.

(M.F.Sc. – 4 Semesters)
